ABOUT ME

I am a French native, independent and passionate artist who combines photography, graphic design and illustration. I completed my higher education in Spain, France and the USA.

Graphic Design was the obvious initial career path, then art direction came with experience.

I'm a member of the photographic agency HEMIS : <http://www.hemis.fr>

I am currently developing new projects as a filmmaker (documentary and fiction).

French: Mother tongue
Spanish: Bilingual
English: Good level
